## **Art Düsseldorf moves into spring**

**With its upcoming edition, Art Düsseldorf is permanently moving its date to spring. The fourth edition of Art Düsseldorf will take place from April 16 to 18, 2021, in the Alte Schmiedehalle of Areal Böhler in Düsseldorf. The registration period for exhibitors will resume on September 30, 2020.**

The fourth edition of Art Düsseldorf, postponed due to the worldwide impact of the COVID-19 pandemic, will open its doors to experts and art lovers in spring 2021. In order to protect exhibitors and visitors, the exhibition space of Art Düsseldorf in 2021 will be limited to the main hall of Areal Böhler (Alte Schmiedehalle). The spacious, light-flooded hall offers an ideal space for the presentation of contemporary art. The registration period for exhibitors runs from September 30 to November 30, 2020.
